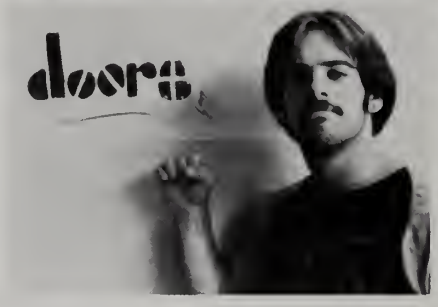
DEDICATION

We are all unique individuals with our own talents and interests which will carry us in very different directions throughout our lives. There is, however, a very special bond which exists, binding each of us to the unforgettable memories of our lives here in Middleboro and the tremendous influence the town has had on each one of us. This bond will not be broken even as we travel our separate ways, far away from home.

With this in mind we dedicate Timaron 1982 to the town of Middleboro, our home. Our sincerest love and appreciation is extended to all of the people who have helped us in so many ways and to the very special friends we have shared so much with over the years.

GRADUATES



Four years ago we never thought we'd reach this point — but here we are.

MHS CLASS OF 1982 HISTORY

Once upon a time in the "Borough" a group of individuals became a totality known as "The Class of '82". They began to develop their unity in Junior High through such activities as dances, parties, ski trips, sports, Student Council, Acadia and PCC.

In the fall of '78 we apprehensively entered Middleboro High School as Freshmen. Although our political insight was limited, we made excellent choices for class officers: Tim Mortimer as President, Bob McGuirk as Vice President, Marcia DeMoranville as Secretary and Linda Lemmo as Treasurer. Our school spirit was boosted as we followed The Middleborough Sachems on their way to Superbowl victory against DomSavio.

Returning to Middleboro High School in September of '79, we looked forward to being full fledged students of high school. We were no longer the "babies", we were now the "wise fools.". Our Sophomore year was full of still more fun and activities as we, the Class of 1982, became more active in school life. That year we chose as our leaders Bob McGuirk, DeeDee Holmgren, Julie Erickson and Sheila O'Leary. We followed the Sachems to yet another Superbowl victory against Dom Savio. YEAH!! One of the highlights of Sophomore year was finally getting our class rings. We were very proud of three classmates: Marci DeMoranville and Bob McGuirk who were elected to Silver M and Matt Guilford who was chosen for All State Band. Our "sweet sixteen" parties were a far cry from our end of the year going away parties, at which we really went . . . up, up and away . . .

As the summer of 1980 drew to an end, we realized that when we re-entered high school in the fall, we would be, finally, upperclassmen. We bade the exchange students farewell for one year and wished them the best luck in their host countries — Jim Briggs went to Argentina and Barbara Freidenfeld went to Finland. We were plagued with PSAT's and SAT's. We were sad to see Dr. Johnson go, but were delighted to welcome Mr. Wassel as principal. By mid-winter our agenda included weekly treks to "the cottage." Highlighs of the spring included Silver M inductions of Sheila O'Leary, Kim DeCaro and Tim Mortimer; National Honor inductions and the ACappella musical "Bye Bye Birdie". To close our Junior year, we had our Junior Prom on May 8 at Independence Harbor. Our queen was DeeDee Holmgren. Carrying us through our Junior year were officers Bob McGuirk, Donny Quindley, Kris Hickes, and Linda Lemmo.

Before we knew it, Senior year had arrived. At long last we were the leaders of the school. Leading Student Council were Tim Mortimer, Kim DeCaro, Marcia DeMoranville, and Kris Hickes. Our class officers were Bob "Ace" McGuirk, Kim "K.D" DeCaro, Marcia "Wifey" DeMoranville and Sheila "Squeeb" O'Leary. Although we had many important decisions to make about life, we still had time to devote to our Senior activities such as Yearbook, planning the Senior Prom, sports, and an endless array of other activities. The Coronation Dance was a big success; Titi Alvarez was selected as queen. We will also look back on other memorable Senior activities. Primary among these are our Class Night, Class Play, Baccaleaureate, Last Assembly and Last but not least, GRADUATION!

KARIN ROSEN, FROM SWEDEN, SPENDS YEAR AT MHS

I'm Karin Rosen, the Swedish exchange student. I came here in August through "Educational Foundation for Foreign Study." I will leave at the end of June. Three weeks before I came to the USA I was in England, except the last week when I was in France, including Paris. I enjoyed my time in England and I like it much here!

This school year doesn't count for me, so I have another Senior year back in Sweden. The school system there is very different.

The first two months here I lived at the Melvin's with them I went to Canada for a week. Now I live at the Raynes' and they are lovely!

It is very good for me to be away from home for a year. I now realize how much I love my family. My parents are divorced and my 16 year old sister Lena and I live with Ma and her husband who is a wonderful person. We all adore our 16 month old brother Edward. We are living on a farm where we have approximately 500-600 calves, 20 sheep, hens, two horses and two dogs. One of them is used for hunting in the fall. Our stepfather goes hunting for moose, deer, fallow deer, hares and foxes every fall. Outside our house, which is a manor house, we have a lot of apple trees. Every fall we can find a couple of moose there in the mornings.

My father and his lovely wife, Yvonne, live in the city where I go to school. It's very nice to be close to them. A few months ago Johanna was born, so now I have a baby sister. My father comes to the USA to show the golf bag he has invented. On one of his visits, we will go to Miami and my sister will visit MHS for a week.

I'm very happy to be here!

I was lucky to spend a year in Argentina. Argentina is located in the southern part of South America. The capital is Buenos Aires. A city of nearly 11 million people, it is the center of culture and commerce for most of South America.

The town I lived in is called Rauch and is located 250 miles southwest of Buenos Aires. It is located in the pampa region of Argentina. The pampa is a flat treeless area stretching for a thousand miles by a thousand miles. My town has a population of about 10,000 people. Half of the men are "gauchos" or cowboys. The main products of the area are lamb, beef, and grain.

I had the opportunity to travel quite a bit. I went to Brazil, Paraguay, and the Andes mountains. The people all over were very friendly, and live a lifestyle much slower than ours.

It was a great experience, which I really enjoyed.

TITI ALVAREZ VISITS FROM COLUMBIA

My name is Isabel Cristina Alvarez. I'm an exchange student from Columbia. I came here through the Rotary Club.

My country is in the northeastern part of South America. It has 25 million people and is the fourth biggest country in South America. It has boundaries of the Atlantic and Pacific oceans. This is very important because it makes communication with other countries easier.

The capital is Bogota, where I live. It is the biggest city of the country with a population of five million people. Bogota is the center of reunions for Erudites and artists; it is known as the "Athens of South America". Bogota is also the commerical center of Colombia. Our biggest product is the coffee which is famous for its taste and quality.

I attended "Maria Mazzarello School". This is a very small school in comparison with Middleborough High School. It has 500 people from all grades, Kindergarten to grade 12. We all wore the same type of uniforms, white with blue trim. Graduation in June will be my second one, because I've already graduated in Colombia.

When I came here I thought that everything was going to be really different, but it really isn't like that. I had a good time here. I think everybody is really nice; that's one of the things I like most here. The people are very friendly. I'm never going to forget this year of experience, and I'm always going to remember all my American friends. I want to say thank you to everybody for giving me all this year of happiness. Also thank you to Middleborough High School, and all the teachers who made this year easier for me.

I spent my Junior year in Vasa, Finland. Although I missed my family and friends here in Middleboro, I had many unique experiences in Finland.

I was sent there by the Middleboro Rotary Club. I lived with a wonderful host family in an apartment house in the center of Vasa, Finland. I attended a small Swedish school with a class of only 100 students. The courses I took were English, Swedish, Russian, Math, History, Religion, and Music.

During my year in Finland, I visited Lapland and travelled to Leningrad, Russia. I spent the month of June touring Europe by train. I saw the Eiffel Tower, the Riviera, Vatican City, the Alps, medieval castles and many other fascinating sights of Europe.

My year abroad was truly a very enlightening experience. Thank you to everyone who made it possible.

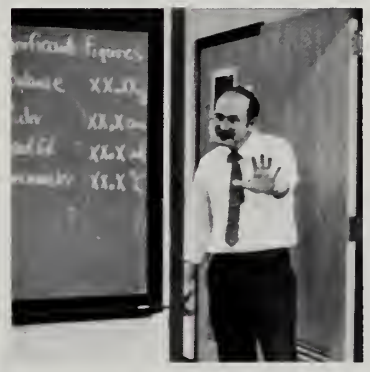
PERSONNEL

When we arrived our first day of Freshman year we were apprehensive about our future at M.H.S.

We looked at the other three classes and tried to find our place amongst them.

Establishing this place would have been difficult if not impossible without these people. We have undoubtedly grown because of their guidance and leadership.



They taught us, fostered us, and tolerated us. And through their inspiration and understanding we now have the courage to take chances, to reach for our dreams, and to succeed.

Inside your heart there lies apart
from all your cares and sorrows,
A paradise which knows no sighs,
a world of happy tomorrows
A heaven of light, unknown to blight
of winter, bleak and dreary,
Whose days are long and sweet with song,
whose hours never weary.

What matter though your pathways glow
without a springtime gladness?
What if each June comes all too soon
and leaves you with a sadness?
No love will prove so true,
no tones one-half so tender
No lips so pure as those which lure
the soul to visioned splendor.

To the Class of 1982

The seemingly long four years you have spent at M.H.S. are quickly drawing to a close. The entire staff hopes that you feel that these years have helped prepare you for the exciting years to come. The learning you have acquired during this time is but a working tool which is now about to be put to the test. Your real education will be shown in the path you take, in the strength you develop and in the service you perform.

Although I have only known you for less than half the years you spent at M.H.S., I will always fondly remember the Class of 1982 for so readily and unequivocally accepting me into your school family.

Good luck to each and everyone of you. May you bring credit to your family, your school and your community.

ATHLETICS

When you talk about Middleborough High School, you have to mention sports. The Sachems have been known for their outstanding athletes and teams for as long as anyone can remember.

During our years in high school, we have been winners in two Super Bowls and numerous league titles. In our final three years we were important elements on many of these fine teams.

On behalf of the class of "82", we present the athletic season 1981-1982, one of the most obvious ways that we have "gone for it" during our high school years.

FOOTBALL

The Sachem Varsity Football Team continued its rampage on South Shore League opponents this season, finishing with a 7-3 record and winning the large school title, despite dropping the overall title to Abington.

It was a slightly disappointing season to those involved, as the three losses all came in closely contested games, two on fourth quarter comebacks by the opposition. After each loss, however, the Sachems came back strong with decisive victories.

Led by the outstanding play of Quarterback Mark Ambrose (Sr. Tri-Capt.), Tailback Sherwin Grennum (R), Wingback Scott MacNayr (Soph), and Linemen Dave Benoit (Sr), Mike Hatch (Jr), Jack Bean (Soph) and Scott Wassel (Soph), Middleboro made their presence felt every week, most notably in a tough loss to Wareham and in a big victory over Abington.

Jr. Lance Barber, who was off to an outstanding start, was injured early in the year, and this was costly to the vaunted "speed backfield" of Middleboro. This, however, gave Sr. Dan Kayajan his chance and he responded tremendously and played well the rest of the way at the fullback slot.

Mark Ambrose threw nine touchdown passes to finish second in Division IV, while Scott MacNayr ended up on the receiving end of seven, also finishing second in the Division IV race.

Making big plays in the MHS defensive backfield were two guys who frequently went without recognition, Mark Barboza (Sr TriCapt) and Glenn Washburn (Jr). Their efforts combined with those of Mark Estabrooks (Sr. TriCapt) and John White (Jr) held their opponents in check. Bill Fuller (Jr) and Dave Rossini (Sr) aided in the effort.

With ten starters returning, the Sachems can look forward to another fine season. The Senior Class wishes the team the best of luck next year.

The Sachem Soccer program suffered some setbacks this season, but under the watchful eye of Coach Mike Perry, the team played very well at times and deserved victories in some closely contested losses. Sparked by Senior Co Captains Fred Teceno and Mark Coelho and Frank Tallino, who was leading scorer, MVP, and SSL All Star, the Sachems gave it all they had. They played shoulder to shoulder with the League's best teams more than once this season.

The team played extremely well early in the season, and their efforts against East Bridgewater, Rockland, Abington, Cohasset and Hanover were all strong, despite tough losses. Seniors AJ Znotin, Jim Briggs, Dan Lussier, Darryl Nix, Mike Longworth and Lenny Teceno were also big contributors this season.

Coach Perry summed up his feelings by saying, "Even if they didn't win, it was a pleasure coaching them. They tried just as hard every minute they played, whether they were far behind or right in the game."

Experiencing a dramatic rebirth in Middleborough over the past two seasons, the Girls' Field Hockey Team, composed almost solely of underclassmen, did themselves proud this season. One highlight was beating Duxbury for the first time in eleven years on the way to posting a 7-6-3 record.

Led by CoCaptain Ruth Moffatt (two year MVP and starter) and Co-Captain Lisa Brown (two year MVP), the team got off to a strong start and fielded a highly competitive team throughout the season.

Lisa Brown has been voted captain for two years straight, which is a first for the team. She and Lucy Stepanian will serve as co-captains next year. Lisa was elected to the SSL All Star team, and was a leading scorer along with Maureen Reynolds.

With all but one starter returning, and an excellent JV team (6-3-3 record), the future looks bright for Coach Costa and her team. Hopes are high for a tournament berth next year.

CROSS COUNTRY

After 86 consecutive victories, the guys ran into a brick wall in Duxbury last season, and the skein was broken. But with a lot of determination, they have rebounded this year to have a good season.

Though injury plagued, the Sachems finished with a 4-3 record. The squad was paced by senior Jeff Viera, a SSL All Star, until an injury brought an early and unfortunate end to his season. Scott Turney ran with an injury for most of the season, intensifying the burden on the rest of the squad members.

The Sachem harriers, under the strong and able leadership of Coach Jon Majuri, are hoping for a comeback next season.

The MHS Boys Cross Country squad completed its season with a 4-3 League record which resulted in a fourth place standing.

The Middleborough girls came away with only one victory this season, but that certainly didn't tell the whole story. Though the team was small in number, the girls worked hard all season, and often times saw victory close at hand, only to have it slip away.

Led by the outstanding contributions of tri captains Marcia Demoranville ('82), Corry Colby ('82) and Stacey Greene ('83), the team put forth an excellent effort. Coach Sullivan was pleased with this year's team and hopes that, with an increased number of swimmers, the future will prove to be successful for Middleboro Girls Swimming.

The Boy's Swim Team at MHS continued its fine efforts this season, remaining a source of pride for Middleboro as it has been over the years. Led by Senior Co-Captains Bob Atkins and Greg Cook, the boys defeated the likes of Quincy, their most impressive victory of the season. Pacesetters for this year's team were Bob Atkins, Greg Cook, John Clarke, and Chris Clark, who were consistant winners in their individual events.

With four outstanding Seniors graduating, Coach Sullivan will have to look to the underclassmen to fill next years squad.

With six Seniors, the Sachems had a fine season and were it not for some heartbreaking last second defeats, might have posted an outstanding record. Led by Captains Dave Benoit, Lance Littlefield, and Mike O'Neil, who were helped out by the excellent play of Fred Teceno, Kevin Lizotte and Mark Ambrose, the boys won five of the first six before dropping a controversial heartbreaker to Hanover, 57-56. Injuries hampered the team after this, for example in closely fought contests against Rockland and Abington. Last second defeats to Duxbury and Hanover at the end of the season were also hard to swallow, but the play of the six Seniors was something Coach Littlefield could be proud of, and their fighting spirit will be long remembered in the annals of Middleborough Basketball. The three captains, who all put in three years with the Sachem varsity, are to be especially commended for their tenure at MHS. Key efforts were also contributed by Mark Ambrose in two years on the Varsity squad and both offensively and defensively by Kevin Lizotte and Fred Teceno.

JUNIOR VARSITY

With only one Senior on this year's squad, it was obviously going to be a rebuilding year for Coach Harrison's hoopsters. As rebuilding years go, however, this has to be considered to be a positive one because of the impact made on the program by underclassmen. After Captain Kathy Clark, Varsity experience was hard to find on the squad, but the play of Juniors Lisa Brown, Maureen McGlone, Dawn Smallwood, and RaeEllen Parent, coupled with that of Sophomores Kristy Ambrose and Maureen Reynolds and Freshman Brenday Forcier was constantly improving all season long. Maureen Reynolds was outstanding week in and week out, and she should develop into one of the finest players Middleboro has seen. Her efforts, coupled with the large number of underclassmen and the fine Junior Varsity team this season, should prove to be the formula for success in the years to come for Coach Harrison and his girls.

The Sachem Wrestling squad became one of the teams to watch this season at MHS, posting an outstanding record. With strong leadership provided by Captains Bob Hatch, Bill Brown, and Mike Abacherli and the fine wrestling of Mike Hatch, Dan Duggan, and Scott Wassel, Coach Rod Berry and his team were a force in South Shore League competition all season. Highlights of the season included Mike Hatch's undefeated string of pins which lasted throughout the regular season and Mike Abacherli's upset of a wrestler who had previously won 31 straight matches.

Every indication is that Middleborough will have a fine showing in post season matches. This, however, is only the beginning of what Middleboro fans and squad members hope will be a long line of successes on the mats in the years to come.

The Middleborough High School Gymnastics team, coached for the past six years by Pauline Taylor, should be congratulated not for a winning record, but instead for their team spirit. This team has developed a close relationship of sharing, learning and growing together. Travelling to other towns for meets and hosting meets has proved very beneficial both athletically and socially for the Gymnastics team members. The girls, along with Mrs. Taylor, have created a truly special Gymnastics team which this school can be proud of and should continue to encourage their future success.

INVOLVEMENT

What is involvement? Involvement is Class Council and carwashes. It's ACappella Choir, activity period, and yearbook meetings until 6:00. Involvement is being a part because you want to, not because you have to.

And here are the people who have devoted their time and effort because they wanted to make MHS the best.

It has been said that life is what you make it. These are the people who have been involved and really made it happen at MHS.

As we leave high school, we remember the good times and all the friends we have made through our activities. These activities have been an important part of our high school years and we will always look back on them fondly. Good luck to everyone in the future and always stay involved in the world around you.

Senior year is one of the most special times of our lives. So much has happened to us over the past twelve years. Senior year is the end of one era and the beginning of a new, challenging time.

To remember this very special time, we have Timaron '82, a book filled with friends, memories, and the good times we've had. As we travel on through life, and strive to achieve our goals, we will reflect back upon our Senior year and all the good things that happened. We hope that Timaron will always be a window through which your time in high school can be clearly seen.

CORONATION DANCE

As the 1981 football season drew to a close, tension mounted. The big question in the corridors of MHS was "who will be the football queen?" Finally on November 20 came the Coronation Dance, sponsored by the Senior Class. The question still plagued the couples on the floor and those scattered around the cafeteria as they listened to the group Illusia. The eleven contestants: Julie Erickson, Gina Millette, Linda Noyes, DeeDee Holmgren, Tracey Grant, Marcia Demoranville, Lynne Willis, Diane Stamnos, Dawn Silvia, Titi Alvarez, and Lori Carver were escorted into the cafeteria to await the decision. Titi Alvarez made a lovely queen!

THE FIRST ANNUAL MHS POSTER DAY

Spirit, effort, devotion, and animation collectively express the true meaning of the First Annual Poster Day, held in the corridors of MHS. Poster Day, a creation of the Student Council, proved not only to be successful, but very worthwhile. It represented the spirit and exhuberance exhibited by high school students, while inciting a sense of competition, expressed in a constructive manner that could be appreciated by all. Undoubtedly, this newly created activity will soon become an everlasting tradition at MHS.

The Marching and Concert Band has been a long standing tradition MHS. Directed by Mr. Richard Nelson, the band is enjoyed by the public performing at activities such as football games, Christmas concerts, parades, pops concerts, and exchange concerts with other high schools. At the football games, the band plays a number of songs, providing an excellent half time performance. The Christmas concert features a variety of Christmas melodies, old and new. The Pops Concert features current and popular songs reflecting the times. Exchange concerts give the band members an opportunity to travel to another community and share their musical talents. This year, exchange concerts were held with Southbridge High School.

The Band includes a number of talented Seniors who are deserved of recognition because of their long hours of dedication and their accomplishments. Matt Guilford is 1st Trombone, 1st chair; he has been selected for District, SEMSBA, and All State and is presently a member of the Greater Boston Youth Symphony Orchestra. Representing the Clarinet and Tenor Sax section is Mike Matheson. Mike plays his saxaphone during marching season, then during the concert season plays both Clarinet and Tenor Sax. He has been active in both SEMSBA and District. Three Seniors, Dick Brooks, Rob Desrosiers, and Butch Kyrouz, play first Trumpet. LuAnn Thompson plays both 1st Flute and 1st Piccolo. Chris Clark, who plays first Trombone, 2nd seat has been active in SEMSBA.

The talents and efforts of these seniors will be greatly missed next year. Congratulations on your accomplishments!

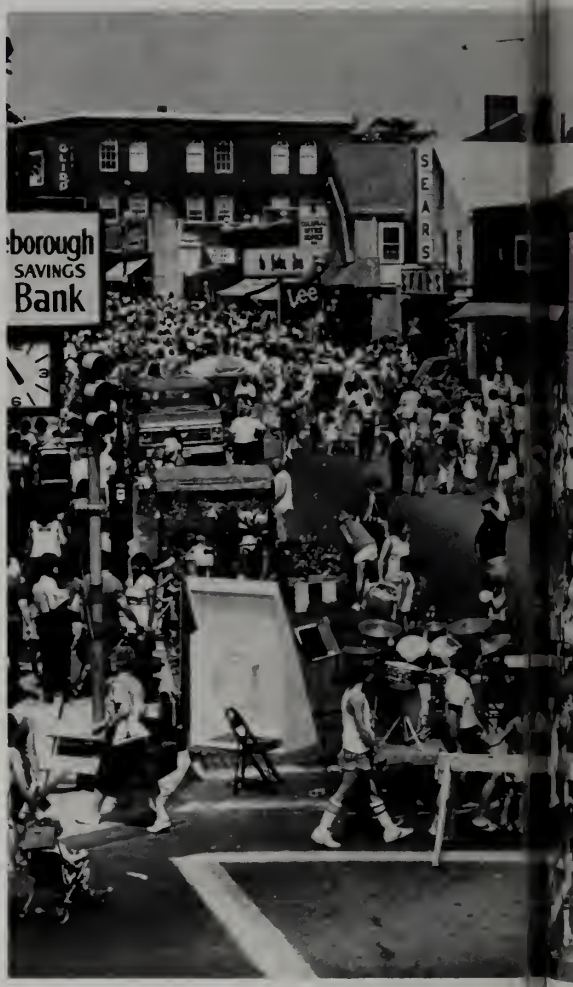
COMMUNITY

The people of Middleboro . . . where would we be without them? For years they have come to our bake sales, let us wash their cars, and bought magazines or whatever peculiar item we were pushing on them.

They attended our concerts, sports events, plays and even have been seen among us at donkey basketball games, class carnivals and Acadia.



But perhaps, most important of all, they make our yearbook possible, allowing us to remember what they call "the best years of our lives" through their contributions.

We'd like to thank the people of Middleboro for helping us to reach for the top and achieve our every goal.

As we leave the school . . .
We remember the good times with
a feeling of great loss.
We almost long to start the
"best years of our lives" over again.
Memories of warm friendships and times
spent together will stay with us always.
To the administration and faculty
we express our deepest gratitude for their
encouragement and assistance.
But now we must look ahead to our various futures —
We make plans to "go for" the goals we have set.
